David Mercer

a member of the choir, thanks everyone in the Norbury family for prayers, cards and good wishes after his knee operation.

The Wellspring

Here at Norbury there is a group of people who collect items of food (with good use by dates) along with items of toiletries on a regular basis. If you feel you could assist in this very worthy cause it would be much appreciated.

Ann Whitehead has very kindly offered to collect such items here in church on the last Sunday of every month and duly deliver them to the Wellspring. Should you require more information please speak to Ann or myself.

Prayer Board Notice

It is really important that before any name is placed on the board permission has been sought from the person involved and also that your own name and date is clearly written at the bottom of the card before placing it on the board. Unfortunately without this information prayer requests cannot be included in our services.
